

Dear Clerk of U.S. Bankruptcy Court,

December 16, 2009

This letter is with regards to Bankruptcy Case No. 08-1789 (BRL). This is to appeal the recent document we received in the mail stating that we have been denied with regards to being invested with Bernie Madoff "BLMIS". Our account number was: 1-ZB262-3-0. Our first bank check was written in the amount of \$17,000.00 on May 17th, 2008 and our second bank check was written for \$8,000.00 on June 12<sup>th</sup>, 2008. We invested with "Seven Out Partners" who then invested our money with "Strattham" who directly invested our money with Bernie Madoff "BLMIS". Included with this letter are copies of the two bank checks equaling a total of \$25,000.00. We were only invested for a couple months and had not taken any of the money out. Also included with this letter are copies of any statements as well as any letters sent to us from "Seven Out Partners". Please help us in reclaiming our savings. Our money has been stolen from us and we will not accept this denial letter stating that we are not being considered as victims of investing with Bernie Madoff "BLMIS". We need to be acknowledged as individuals just like everyone else who received an acceptance letter. Attached are documents supporting our claim that our \$25,000 was invested with Bernie Madoff. Thank you for your attention in this important matter.

Dear Seven Out Partner:

Enclosed please find the mid-year statement for our partnership. Our return of 3.77% is not stellar. However, we are officially in a bear market (20% decrease in stocks since October), so it is hard to complain. At least we are making money.

As always, I can be reached via phone, fax or email should you need to contact me. Be well the rest of the summer!

Respectfully,

Ken Cavazzoni

Dear Seven Out Partner:

With the huge drop in the stock market, I know many of you were concerned about our investments. Not only did we retain our capital, we were able to make a small profit in the third quarter. I inquired about our holdings and found that we were out of stocks and into t-bills by mid-September. This was an effective strategy that protected our earnings.

I would expect to have very conservative investments for the remainder of the year and I'm hopeful that our fourth quarter earnings get us toward our last year's level, even with the sour markets.

Should you need any money for the holidays, please let me know as soon as possible. As always, I can be reached via phone, fax or email.

Regards,

Ken Cavazzoni
